TASTING NOTES

Appearance: Attractive garnet-red color.

Bouquet: Notes of freshly picked black fruit, such as blackcurrant, blackberry and morello cherry, sublimated by notes of spice, licorice, cinnamon and vanilla.

Palate: Fruity.

Serving suggestion: Enjoy well chilled. In gastronomy, it can accompany a nice meat or be paired with cheeses such as fresh goat's cheese or ewe's milk cheese. For dessert, it goes well with melon, red fruit salad or plum tart.
